1986 Subject Index

ACE inhibitors

in congestive heart failure, Sept. 57
in hypertension, Sept. 43

Acne

adult-onset (Q&A), Apr. 144

Acquired immune deficiency syndrome (AIDS)

counseling patients about, Jul. 88

Aging patient

acute joint pain (gouty arthritis), Jan. 121
complaints of insomnia and constipation (depression), Apr. 111
dry mouth and oral pain, Mar. 120
falls, Nov. 94
osteoarthritis, Sept. 91
shortness of breath, Dec. 71

Alcohol

and nutrient malabsorption, Aug. 72
in automobile-related deaths, Feb. 126

Aldosteronism, primary

diagnosis and management of, Mar. 89

Alprazolam

and hypotension (Q&A), Jun. 28
in depression, Mar. 138
in panic disorders, Aug. 130

Alzheimer's disease

diagnosis and assessment of, Oct. 43
drugs for cognitive decline in, Oct. 97
patient and caregiver management of, Oct. 65
patient guide, Oct. 113

American Heart Association Meeting

highlights from, Jan. 111

Amoxapine

in depression, Mar. 133

Androgens

how to use, Apr. 88

Anemia, iron deficiency

diagnosis and treatment of, Jul. 149

Aneurysm, abdominal aortic

rupture of, Apr. 122

Ankylosing spondylitis

patient guide, Jun. 70

Antacids

and nutrient malabsorption, Jul. 72
in peptic ulcer, Nov. 38

Antibiotics

flavors of, Feb. 59
in pulmonary hypertension, Jul. 58

Anticoagulants

recommendations for use of, Jul. 84

Antidepressants

in panic disorders, Aug. 120
use of newer agents, Mar. 133

Antidepressants, tricyclic

and hypotension (Q&A), Jun. 28
in panic attacks, Aug. 120
in sleep disorders (letter), Aug. 10

Antiplatelet agents

in ischemic heart disease, Mar. 48
use of, Jul. 84

Antithrombotic agents

in cerebrovascular disease, extracranial, Feb. 78
recommendations for use of, Jul. 84

Aortofemoral bypass

use in unilateral iliac occlusion (Q&A), Jun. 31

Apolipoprotein levels

and coronary artery disease, Oct. 151

Arthritis, rheumatoid

methotrexate in, May. 135

Aspirin

in gouty arthritis, Jan. 129
in ischemic heart disease, Mar. 52

Asthma

theophylline in, Oct. 139

Atenolol

in the elderly, Oct. 123

Atherogenesis

and apolipoprotein levels, Oct. 157

Benzodiazepines

in panic disorders, Aug. 130

β-Blockers

in hypertension, May. 153
in ischemic heart disease, Mar. 65

Bleeding time, abnormal

diagnosis and treatment of, May. 123

Bone scans

in breast cancer (Q&A), Feb. 163

Bronchodilators

in pulmonary hypertension, Jul. 57

Calcium

and hypertension, Nov. 63

Calcium antagonists

in ischemic heart disease, Mar. 65
in pulmonary hypertension, Jul. 62

Calcium supplements

for children (Q&A), Jun. 31
and nutrient malabsorption, Jul. 74

Cancer, breast

androgens in, Apr. 101
bone scans in (Q&A), Feb. 163

Cancer, lung

diagnosis and treatment of, May. 154

Cancer markers

use of, May. 95, 101

Captopril

in congestive heart failure, Jan. 116; Sept. 58;
in hypertension, Sept. 43

Cerebrovascular disease, extracranial

diagnosis and treatment of, Feb. 72

Cervical adenitis

and tuberculosis (letter), Jan. 12

Cimetidine

interaction with warfarin, Dec. 77
in peptic ulcers, Nov. 39

Clonazepam

in panic disorders, Aug. 131

Cocaine

and premature myocardial infarction, Sept. 117

Colitis, ulcerative

see Inflammatory bowel disease

Congestive heart failure

ACE inhibitors in, Sept. 57
captopril in, Sept. 58
digitalis in, Jan. 88, 98
enalapril in, Sept. 58
hydralazine in, May. 153
isosorbide dinitrate in, May. 153
prazosin in, May. 153

Contraception

in teenagers, Apr. 129

COPD

theophylline in, Oct. 139

Corneal burns and abrasions

treatment of (Q&A), Aug. 147

Coronary artery disease

in panic disorders, Aug. 130
apolipoprotein markers for, Oct. 151
impact of high technology on, Apr. 77
labetalol in, May. 151
molsidomine in, May. 152
verapamil in, May. 152

Corticosteroids

in gouty arthritis, Jan. 128
in immune thrombocytopenic purpura, Jan. 138

Crohn's disease

see also Inflammatory bowel disease

treatment of (Q&A), Feb. 164

Cysticercosis

diagnosis and treatment of, Jun. 137

Depression

in the elderly, Apr. 111
newer agents in, Mar. 133
psychiatric laboratory tests in, Feb. 144

Diabetes, insulin-dependent

immunotherapy in, Dec. 39

Diabetic ketoacidosis

diagnosis and treatment of, Dec. 26

Diet

and peptic ulcers, Nov. 47

Diets, extreme subcaloric

effects of, Jun. 74, 87

Digitalis

in congestive heart failure, Jan. 88, 98

in pulmonary hypertension, Jul. 58

Digoxin

use in the elderly, Nov. 129

Diltiazem

in myocardial infarction, May. 151

Dipyridamole

in ischemic heart disease, Mar. 63

Diuretics

in hypertension, May. 153

in pulmonary hypertension, Jul. 58

Dry mouth

in the elderly, Mar. 120

Electrophysiologic study

uses of, Jun. 111

continued

interaction with cimetidine, Dec, 77
- World Congress of Cardiology**
highlights from, Dec, 62
- Xerostomia**
see Dry mouth
- Zollinger-Ellison Syndrome**
and gastrointestinal peptide hormones, Feb, 115

Index

- Nomifensine**
in depression, Mar, 136
- Nonsteroidal anti-inflammatory drugs**
and peptic ulcer (Q&A), Sept, 87
in arthritis, Jun, 42, 48, 53
in gouty arthritis, Jan, 127
in ischemic heart disease, Mar, 54
in osteoarthritis, Sept, 98
in polymyalgia rheumatica, Jul, 75
- Nutrient malabsorption**
and drugs, Aug, 71
- Oligospermia**
diagnosis and treatment of, Feb, 97
- Osteoarthritis**
diagnosis and treatment of, Sept, 91
patient guide, Sept, 105
- Osteoporosis**
diagnosis and treatment of, Jul, 46
- Oxygen therapy**
in pulmonary hypertension, Jul, 59
- Panic disorder**
diagnosis and treatment of, Aug, 113, 120, 130
- Patient guides**
Alzheimer's disease, Oct, 113
ankylosing spondylitis, Jun, 70
exercise for women, Jan, 83
falls, Nov, 109
osteoarthritis, Sept, 105
pelvic inflammatory disease, May, 89
sickle cell anemia, Mar, 83
sinuses, July, 146
stroke, Feb, 84
type A behavior, Aug, 50
- Pediatric problem-solving**
abdominal masses (renal obstruction), Dec, 108
automobile-related deaths, Feb, 126
Chlamydia trachomatis pneumonia, Aug, 102
evaluating hypertensive children, Jun, 105
limp (transient synovitis of the hip), Nov, 81
sexually active teenagers, Apr, 129
short adolescent, Sept, 126
sinusitis, Jul, 132
tuberculosis, Mar, 125
- Pelvic inflammatory disease**
diagnosis and treatment of, May, 74
patient guide, May, 89
- Penicillin**
in streptococcal infections, Jan, 74
in syphilis, Aug, 92
- Pentoxifylline**
in vascular disease of the lower extremity, Sept, 73
- Peptic ulcers**
and diet, Nov, 47
and NSAIDs (Q&A), Sept, 87
and smoking, Nov, 47, 51
- Phenytoin**
and nutrient malabsorption, Aug, 74
in gastric emptying disorders, Apr, 71
- Placebo response**
use of, Jul, 106, 119
- Pneumonia, Chlamydia trachomatis**
diagnosis and treatment of, Aug, 102
- Polymyalgia rheumatica**
diagnosis and treatment of, Jul, 73
effects on the kidney (Q&A), May, 170
- Prazosin**
in congestive heart failure, May, 153
in hypertension, May, 153
- Prednisolone**
in ulcerative proctitis, Aug, 61
- Pregnancy**
trauma in, Mar, 163
- Propranolol**
in coronary artery disease, May, 151
- Prostaglandins**
in myocardial infarction, May, 151
in pulmonary hypertension, Jul, 62
- Psychiatric laboratory tests**
uses of, Feb, 134
- Ranitidine**
in peptic ulcers, Nov, 39
- Recombinant tissue-type plasminogen activator (rt-PA)**
as thrombolytic therapy, Jan, 112
in myocardial infarction, May, 150
- Reflex sympathetic dystrophy**
treatment of, Aug, 64
- Renal obstruction**
in children, Dec, 108
- Sarcoidosis**
cutaneous features of, May, 175
- Seronegative spondyloarthropathies**
management of, Jun, 41
- Shortness of breath**
diagnosis and treatment of in the elderly, Dec, 71
- Short stature**
treatment of, Sept, 126
- Sickle cell disease**
diagnosis and treatment of, Mar, 70
patient guide, Mar, 83
- Sinusitis**
diagnosis and treatment of, Jul, 132
patient guide, Jul, 146
- Sleep disorders**
evaluation and treatment of, in the elderly, Mar, 104, 117
tricyclic antidepressants in (letter), Aug, 10
- Smoking**
and peptic ulcers, Nov, 47, 51
- Spider bites**
management of (Q&A), May, 165
- Streptococcal infections**
diagnosis and treatment of, Jan, 65
- Streptokinase**
in myocardial infarction, May, 150
- Stroke**
patient guide, Feb, 84
- Sucralfate**
in peptic ulcers, Nov, 47
- Sulfasalazine**
in inflammatory bowel disease, Dec, 44
- Synovitis, transient**
diagnosis and treatment of, in children, Nov, 81
- Syphilis**
diagnosis and treatment of, Aug, 85, 92
- Terazosin**
in hypertension, May, 153
- Theophylline**
in asthma, Oct, 139
in chronic bronchitis, Oct, 139
in COPD, Oct, 139
- Thiazides**
and hypokalemia, Feb, 41, 51
- Thrombocytopenia**
and abnormal bleeding time, May, 124
- Trauma**
in pregnancy, Mar, 163
- Trauma, pelvic**
diagnosis and treatment of, Nov, 116
- Trazodone**
in depression, Mar, 135
- Tuberculosis**
and cervical adenitis (letter), Jan, 12
diagnosis and treatment of, Mar, 125
- Type A behavior**
and coronary artery disease, Aug, 41
patient guide, Aug, 50
- Typhoid fever**
diagnosis and treatment of, Nov, 87
- Ulcerative proctitis**
diagnosis and treatment of, Aug, 56
- Urinary tract injury**
diagnosis and treatment of, Nov, 116
- Vascular disease, lower extremity**
diagnosis and treatment of, Sept, 71
- Vasodilators**
in pulmonary hypertension, Jul, 60
in vascular disease of the lower extremity, Sept, 73
- Verapamil**
in coronary artery disease, Jan, 115; May, 152
- Vitamin D**
in lead poisoning (Q&A), Sept, 90
- Vitamin E**
deficiency in malabsorptive syndromes, May, 112
- Warfarin**
interaction with cimetidine, Dec, 77
- World Congress of Cardiology**
highlights from, Dec, 62
